HEADS HOPE SUNDAY DRIVE — Sam Levy City of Hope door-to-door fund drive June 7 former Torrance "Citizen of the Year," heads drive for second consecutive year.

Sam Levy Heads Torrance Drive for City of Hope Fund Solicitation

Sam Levy, for the second year has been named local chairman of the "Hope Sunday" drive on June 7 for the City of Hope.

This appointment was announced by County Supervisor Frank G. Boneli, honorary general chairman of the one-day, door-to-door solicitation

throughout Los Angeles County and other Southland Communities.

In accepting the post Levy said that more than 900 volunteer "Citizens of Hope" would seek contributions here to help support the three-point program of patient care, research and medical education at the free, nonsectarian Medical Center.

"Funds raised on June 7," he emphasized, "will help provide care, absolutely without charge, for patients suffering from cancer, the leukemias, blood, chest and operable heart disorders." "Many of these patients are or have been residents of our own community—people we know."

Levy pointed out that the City of Hope accepts victims of these physically, emotionally and financially catastrophic diseases on referral from private physicians.

In addition, he announced, the specialized medical facility maintains a continuous program of research aimed at the eradication of these diseases.

Ranchero Planning Started

First organizational meeting for the 1959 Torrance Ranchero Days will be held today at 7:30 p. m. in the courtroom of the old City Hall building at 1511 Cravens Ave., according to General Chairman Jack Phillips. Ranchero Days will be held July 22-26.

All Torrance organizations are asked to send a representative because food and game booths will be assigned. Booth Chairmen, Ted Hill, said organizations participating for the past two years would receive first choice as to type of booth desired.

Last year, 26 community groups participated in the Torrance Chamber of Commerce sponsored event which this year will include an Industrial Show and a Wild Animal Circus, both free to the public. The parade will be under leadership of Lt. D. C. Cook and the Torrance Mounted Police.

Blonde, 20 Jailed in Dope Case

An attractive, twice-married blonde, described by police as one of the most active drug pushers in Lomita, was given a five years to life sentence, Monday.

Barbara Dwyer, who gave her address as 4811 Mayor Drive, was charged with peddling narcotics to finance her own \$40 a day habit.

She was one of 273 suspected peddlers and addicts picked up during a narcotics crackdown last December. She was sentenced Monday by Superior Judge Mark Brandler after she pleaded guilty to two charges of selling heroin and passing bad checks.

Mrs. Dwyer said she started using marijuana at the age of 17 and soon graduated to heroin use.

She maintained stoutly that she only pushed narcotics as means to finance her own habit. Proceeds from the check passing also went for narcotics purchases.

School Safety Earns Dividend

Because of its low employee accident record, the Torrance Unified School District has gotten back a third of its annual accident insurance premium.

The district received a check for \$6803 from the State Compensation Insurance Fund. "It is a tribute to the skill and efficiency with which the administrators and employees of our district perform their duties," said a letter from Earl R. Howard, general manager.
